

Please join us on Monday, January 12 for this month's Lakes Area Unlimited Learning program by Author Frank F. Weber where he will talk about his new book, *Heartbreak Hollow*.

Frank's newest release, involves the true crime case of a young woman. She was promised a future. She woke up fighting for her life. Eliana Castillo was on the brink of a new beginning—an engagement to the heir of a powerful Midwestern crime family. But instead of getting the ring, she wakes up battered and bloodied in the freezing woods outside Detroit Lakes, with no memory of how she got there—or why someone wanted her dead. Frank will walk attendees through profiling a case that lacked evidence, and give a live demonstration of a lie detector test (volunteer a friend).

The program starts at 1:30PM at Heartwood Senior Living in Crosby, MN. It's free for members and \$10.00 for non-members.
