

**Lakes Area Unlimited Learning speaker: Scott Lykins -
Monday, June 8, 1:30PM.**

During the summer of 2009, Brainerd native Scott Lykins invited friends from the Eastman School of Music (Rochester, NY) to spend the summer in the Lakes Area, waiting tables and spending time on the lake. They presented a few concerts and created the Lakes Area Music Festival. What began as a student-led collection of informal concerts has now become one of the nation's fastest growing classical music festivals, drawing hundreds of the nation's top musicians and thousands of audience members from throughout the region. Founding Artistic & Executive Director Scott Lykins will join Lakes Area Unlimited Learning on June 8 to talk about the inner workings of this organization and highlights of the upcoming 18th annual season.

The program starts at 1:30PM at Heartwood Senior Living in Crosby, MN. It's free for members and \$10.00 for non-members.
